## WE NAVIGATE THE MAZE OF ECONOMIC INCENTIVES

New York Grant Company is a certified woman-owned private consulting firm that navigates the maze of economic incentives from government and other sources for local, national, and international companies and organizations looking to grow, invest in facilities, improve their workforce, or relocate. NYGC also represents entire communities to help them win grants and administer awards.

We assist businesses, associations and not-for-profits by bridging the gap between the public and private sectors to obtain economic incentives such as grants, tax credits, energy discounts, green rebates and alternative financing in every industry. We have secured over \$800 million in federal, state, local, and utility subsidies for more than 5,000 clients.

### Economic Incentives

We seek and secure government tax breaks, grants and other subsidies to help businesses expand, relocate, hire new employees, invest and more.

#### Incentive Experts.

- Research and quantify all applicable benefits
- Free consultation to target best incentive options
- Ensure all applications are processed properly & timely
- Advocate with government agencies for maximum benefit approval
- Track each program from approval to award for full benefit realization
- Process updates and compliance requirement for the duration of each program
- Provide ongoing tracking of new incentive program opportunities
- International relocation and expansion incentives consultation
